Profogas Nigeria Limited

PNL/HSE/POL/R02/2020

HEALTH, SAFETY & ENVIRONMENTAL (HSE) POLICY

The long-term business success of Profogas Nigeria Limited depends on our ability to continually improve the quality of our services while protecting people and the environment. Emphasis must be placed on ensuring human health, operational safety, environmental protection, and community goodwill. This commitment is in the best interest of our customers, employees, contractors, stakeholders, and the communities in which we live and work.

Profogas Nigeria Limited requires the active commitment to, and accountability for HSE from all employees and contractors. Line management has a leadership role in the communication and implementation of and ensuring compliance with HSE policies and standards. We are committed to:

a. Eliminating HSE non-conformances and accidents;

b. Setting HSE performance objectives, measuring results, assessing and continually improving processes, using an effective management system;

c. Planning for, responding to, and recovering from any emergency, crisis and business disruption;

d. Minimizing our impact on the environment through pollution prevention, reduction of natural resource consumption and emissions, and the reduction and recycling of waste;

e. Communicating openly with stakeholders and ensuring an understanding of our HSE policies, standards, programs and performance. Rewarding outstanding HSE performance;

f. Improving our performance on issues relevant to our stakeholders that are of global concern and on which we can have an impact and share with them our knowledge of successful HSE programs and initiatives.

This Policy shall be regularly reviewed to ensure ongoing suitability. The commitments listed are in addition to our basic obligation to comply with Profogas Nigeria Limited's standards, as well as all applicable laws and regulations where we operate.
